New scope of work NatureServe BB 2-17-11.docx

Hi Andrew,

It looks like Brenda is out of the office until 6/6. Can you and I move this forward so we don't lose another week?

Attached is the revised scope of work. I took out all of NatureServe's verbiage about who would do what, making it more generic. I believe that is what you were looking for. I would like to talk with NatureServe to explain and discuss things as early next week as possible (I am out on Tuesday). Do you think we'll be able to do that next week?
